Description :

PDF-95bad | When Dr. Christopher Barnes awakens from a coma, his world lies in pieces. A neurotoxin has left the surgeon with a rare form of amnesia that prevents him from forming new memories. Any new information vanishes within moments. Then he learns that his wife has been murdered...and he'll have to relearn this every day. He vows to solve the case himself, but the police have their own theory—one that... *Dying to Remember*
