Description :

PDF-56d56 | When we think of commercial sailing, most of us are apt to picture square-riggers as vessels of the nineteenth century or earlier. Yet the graceful, multi-masted beauties of our imaginations actually sailed on into the 1950s before they disappeared from the seas forever. Veteran sailor Spencer Apollonio has selected from little-known sources some of the best-written and most representative account... *Last of the Cape Horners : Firsthand Accounts from the Final Days of the Commercial Tall Ships*
