ISBN : #0804755884 | Date : 2007-09-27

Description :

PDF-9941c | Rethinking Science, Technology, and Social Change challenges the prevailing notion that science and technology are constructed or socially shaped. The text puts forth a case for technological determinism, based on a realistic and pragmatic account of science and technology, informed by historical comparisons. Schroeder begins by exploring the social organization of scientific and technological adva... *Rethinking Science, Technology, and Social Change*
